

About Mosaic Harmony

Founded in 1993, our interfaith community choir draws on an African-American spiritual heritage to demonstrate and encourage unity in the midst of diversity. The Rev. David K. North has been director since 1996. "MoHa" performs about 20 concerts each year (Sept-June) in a mix of benefit concerts, fundraisers, and celebrations of diversity and the human spirit.

We invite you to join Mosaic Harmony

...blending your voice in the joy of song celebrating the unity and diversity of the human family

...connecting with the many who hear and need our message

We ask of you...

...no auditions

...your presence at as many rehearsals as possible beginning the first Tuesday in September

...your commitment to sing in performances as soon as you are ready—helping us spread our message: "Make us One," in service through song.

...your support through membership dues and any donation you can manage. (scholarships are available)

...your participation in helping to meet our "family" needs—volunteering as you are able
